

The Canadian Diploma in Biblical Studies

Introduction

It is very exciting to hear of your desire to study God's Word, and we are very pleased that you are considering using Emmaus Correspondence Courses in your pursuit of Biblical truth!

We do not claim to be 'better than anyone else' nor do we claim to be the 'only way to do it,' but we do believe that you will find the Emmaus Bible-study method quite unique & extremely helpful in many ways!

We've been "around" for some time over the last 70 years Emmaus courses have been used around the world in 120 countries, and have been translated into 128 languages. About 25 million courses have been distributed to date!

You will quickly notice that our courses offer a flexible method of study in unique "short chunks" - this makes it easier for you to do within a busy schedule.

Our goal is to encourage you to search the Scriptures for yourself, and praying that as you do so, the Lord Himself would be your teacher to show you great and wonderful things from His precious Word!

We have two Diploma programs to offer you:

1. The "**Associate Diploma in Biblical Studies**" requiring successful completion of 72 units¹ of study.
2. The full "**Diploma in Biblical Studies**" requiring successful completion of 144 units of study.

Both diplomas offer a well-rounded approach, covering a variety of topical, doctrinal, and practical subjects, as well as the actual books of the Bible.

SUPPORT & ENCOURAGEMENT

When you do Emmaus courses, you are not just "purchasing courses!" You will be given much more than self-study or a seminar, book, commentary or study guide can offer. Emmaus Correspondence Center, Canada, provides motivation, follow-up, personalized services, and the counsel of a personal instructor/ tutor who has a continuing interest in your spiritual growth and progress. And you will be prayed for regularly! Your instructor is readily available to answer questions, give explanations, assistance & encouragement.

Come join the ranks of many other Christians world-wide who have benefited from this method of studying God's Word!

IMPORTANT NOTE: *Though we do recommend that you register to facilitate accountability & motivation, you do not have to register in the Diploma Program, to do Emmaus courses!*

For your own personal spiritual growth and pleasure, you can study any individual courses or combination of courses, or you can do one of our particular "Series."

(If you wish to "start small" to give it a try, and then to switch into the Diploma Program at a later stage, that is permissible, too. The Registration Fee will apply at that time.)

¹ Each Emmaus correspondence course is assigned a 'unit value' based on factors such as length and/ or level of difficulty. Most courses have a 1 or 2 unit value, but there some with 3 or 4 unit values.
